

AMATEUR RADIO

Good evening and welcome to the East Pasco Amateur Radio Society Tuesday evening net. I will now stand by for any stations with emergency or priority traffic. Any station having emergency or priority traffic only, please call _____ now.

< Pause 5 seconds >

Hearing none, I shall continue the net. This net meets every Tuesday evening at 7pm right here on the 146.880 K4EX repeater.

My name is _____ and my call is _____. I'm located in _____ and I'll be you net control this evening. After check-ins and announcements we will close the net and have this week's edition of Amateur Radio News -line. I would like everyone to know that you do not have to be a member to participate in this net. All radio amateurs are encouraged to check in.

When you check into this net, please be sure to clearly state your call-sign, your name, and location. Also whether or not you have any traffic or comments for the net. Traffic is not limited to but should be anything amateur radio related. If you wish not to participate in the discussion please indicate for count only when checking in. This is _____.

< drop the repeater for 2 seconds then continue >

But before we start taking check-ins let's see if our club president is available first. Duane N4WDH are you on the radio?

< if he is there let him make any and all announcements that he may have. When he is done he will pass control of the net back to you. If he is not there then start with check in procedure >

Are there any echo-link or allstar check-ins?

As always we'll take check-ins in alphabetical segments according to the first letter in the suffix of your call sign. We will start off with alpha through Mike.

Net Control Operators for this net. Always looking for NCO's. EPARS has an incentive program for those who operate as the net control station. See the club website for more information. You could win a digital radio. Do not be afraid, it is good training for you. We could really use a couple more net control operators. Please contact the net manager AA4CB.

<go to traffic from checkins>
