

EPARS Digital Net preamble

NEW 443.575 C4FM & FM

Good evening! This is (your call sign), tonight's net control operator for the EPARS Thursday night DIGITAL net. This Net meets every Thursday at 8 PM. The purpose of the Net is to allow amateur radio operators to check in, and talk about anything radio or non radio related. My name is (your name) and I am located at (your location).

We ask that when you do check in please state CLEARLY your call-sign , your name, and QTH. Also let Net control know if you do **or** do not have any traffic for the net.

Are there any stations wishing to check into the net?

REGULAR ANNOUNCEMENTS:

Club Meetings: The club meets on the 2nd Saturday of each month at the IHOP Restaurant in Dade City. Meeting starts at 8 am sharp. Our next meeting is __/__/__.

Club repeaters: EPARS currently has FOUR repeaters up and running. The 146.880 and 443.600 are at St. Leo University, in St. Leo. The new Saddlebrook repeaters, in Wesley Chapel is on 443.575 and 145.290. The Club's UHF repeaters are Digital and analog FM. PL is 146.2 for all of the repeaters. On the Digital side they are connected to our wires-X room "Florida WCF" number is 81609. We have a digital net at 8PM on Thursdays. If you have a C4FM radio please feel free to use the full features of the system.

Club info: Please visit us online at EPARSONLINE.ORG . You can also find us on Facebook, Twitter, and You-tube. The club also has an email reflector you can find a link to it on the front of the club's website. We wish to thank Chris, AA4CB, for keeping all the social media sites and club web-pages informative and up to date.

Ham radio testing: EPARS provides Amateur Radio testing on the second Tuesday of the month at 3 PM. Exams are held at the San Antonio Railroad Depot Museum. The address is 32700 Railroad Ave in San Antonio Florida 33576. You can email testing@eparsonline.org

EPARS Digital Net preamble

Saturday morning breakfast. Join us for our informal weekly club breakfast. We chat about radios, antennas, club activities , you name it. No code required !! Bring a friend along too! You don't have to be a club member or even a ham to attend. We will be at the I-HOP on US301 at 9am every Saturday.

Net Control Operators:We are always looking for NCO's. We need a couple more net control operators to put into rotation. Please contact our net manager, AA4CB Chris.You can send an email to netcontrol@eparsonline.org.

Are there any late stations wishing to check into the net?

Are there any questions about the club or anything Ham radio related, come and ask.

Hearing nothing, this is _____ closing tonight's session of the East Pasco Amateur Radio Society's Net. We had ____ check-ins this evening. I would like to thank everyone who participated in the net . The East Pasco Amateur Radio Society's net will return next Thursday evening at 8 PM. I am returning this repeater to general amateur use . 73.

PLEASE SEND AN EMAIL
WITH THE TOTALS AND
WHO CHECKED IN TO
netcontrol@eparsonline.org
