

# EPARS Tuesday Net Script

Last updated 03/03/2025

Good evening! This is (**your call sign**), tonight's net control operator for the EPARS Tuesday night net. This Net meets every Tuesday night at 7 PM. The purpose of the Net is to allow amateur radio operators to check in, test your equipment and to meet other hams. My name is (**your name**) and I am located (**your location**). We encourage you to use all the EPARS the repeaters.

Before we start taking check-ins let's see if our Club President, Duane N4WDH, has any announcements for the group. Duane are you on the frequency?

**AFTER DUANE GIVES HIS ANNOUNCEMENTS, THANK HIM AND MOVE TO THE NEXT**

## **ANNOUNCEMENTS:**

### **Saturday morning breakfast:**

We have an informal weekly club breakfast at 9am almost every Saturday at the I-HOP in Dade City on US-301. We chat about Ham Radio, and the news of the day. Please Join us.

### **Club Meetings:**

Our club meets on the 2<sup>nd</sup> Saturday of each month at the IHOP Restaurant in Dade City. The meeting starts at 8 am. Our next meeting will be (**DATE**)

### **Club repeaters:**

EPARS currently has 5 repeaters up and running.

The Club's 2 Meter repeaters are:

The 146.880 it is located at St. Leo University in St Leo.

The 145.290 is in Wesley Chapel located near I-75 at Highway 54.

The repeaters are linked and have access to EchoLink and All-star.

The Club's 70 Centimeter repeaters are YAESU FUSION Digital.

The 443.575 repeater is in Wesley Chapel.

The 443.600 repeater is located at St. Leo University.

We are also linked to the 441.425 ZAARC W1PB in Zephyrhills.

The Fusion repeaters are linked by Wires-X using the "Florida WCF" room number, 81609.

All the repeaters use a C.T.C.S.S. tone of 146.2

We also have a digital net on Thursdays at 8PM. If you have a Fusion radio, please feel free to join us and use the full features of the FUSION system.

The Club also has a G-M-R-S Repeater in Wesley Chapel on 462.650, the repeater has a C.T.C.S.S. tone of 118.8

**Club info:**

Please visit us online at [EPARSONLINE.ORG](http://EPARSONLINE.ORG) for more information about our system. You can also find us on Facebook and other social media.

Let's now take check-ins.

We ask that when you check in, please state CLEARLY

Your call sign,

Your name,

and QTH.

Also let Net control know if you do **or** do not have any additional traffic for the net.

We will start with check-ins from stations on All-star, Echo-link and DMR.

If you are on All-star, Echo-link or DMR please call Net Control.

**NET CONTROL OPERATOR (SLOW DOWN) THERE IS A 2-SECOND DELAY.**

**After all remote stations have checked in then move to call local stations.**

We will now take our local check-ins.

Local stations please call Net Control.

**NET CONTROL OPERATOR (SLOW DOWN) THERE IS A 2-SECOND DELAY.**

**When all check-ins are completed then move to the net closing.**

**Net Control Operators:**

If you would like to be a net control operator.

Please contact our Lead NCO, John [KB4WGA@YAHOO.COM](mailto:KB4WGA@YAHOO.COM)

Are there any late stations wishing to check into the net?

If there are additional stations, log them in and move on

Are there any questions?

If there are questions, answer them if you can and then move on

Hearing nothing, this is (**your call sign**), closing tonight's session of the East Pasco Amateur Radio Society's Net. We had **##** check-ins this evening. I would like to thank everyone who participated in the net. The East Pasco Amateur Radio Society's net will be returning next Tuesday evening at 7 PM. This is (**your call sign**), returning the repeaters to general amateur use. 73.

**PLEASE POST  
THE TOTALS AND WHO CHECKED IN  
TO OUR FACEBOOK PAGE  
ALSO EMAIL THAT SAME  
INFORMATION TO  
[netcontrol@eparsonline.org](mailto:netcontrol@eparsonline.org)**
